THE·AUTOGRAPH·COLLECTION·OF
HOWES NORRIS, JR.

Dear Mr. Norris,

I shall appropriate for my 'sentiment' the words of one of the wisest men of ancient Rome:—

"Homines ad deos nullâ re propiùs accedunt, quam salutem hominibus dando."

Faithfully Yours,
William H. Welch,

Baltimore, March 18, 1909.

Men approach to God
by nothing more fit-
ting than by giving
safety to mankind.
